

CALLED to WORSHIP

LEADER ◊ FOLLOWER ◊ PLAYER ◊ SINGER ◊ WORSHIPPER

- **Do you love to worship?**

- **Does your band need a tune-up?**

- **Is your passion for leading at risk?**

- **Have you ever been in a creative rut?**

- **Could your worship be out of balance?**

- **Are you CALLED to WORSHIP?**

IT ALL COMES TOGETHER HERE!!!

CALLLED to WORSHIP workshops and seminars are each specifically designed for your community and church fellowship. Whether you worship from the pew or the platform, there will be something for you. We specialize in teaching on the heart of a worshipper, sharing perspectives on band/team/choir dynamics, and leading leaders & worshippers. Most churches can't budget to send their leaders and teams to major worship conferences. We bring the conference to you, and tailor our efforts to meet the needs of your church community of faith. We are working hard to serve as a resource to churches, regardless of size.

Andy & Pam Allen have been writing, recording, performing and leading worship for many years as indie worship artists. Touring full-time in a ministry to serve the body of Christ, they have had the unique opportunity to see how worship is "done" in thousands of different churches with as many different expressions. In addition to their performance schedule, they are now utilizing these experiences in the **CALLLED to WORSHIP** workshops and seminars. Teaching and training worship leaders, bands, choirs and media-arts teams, Andy & Pam pray that worship will become more than something you do...but part of who you are!
